1. Background

A key priority for the Government is to close the gap in attainment between those from less fortunate and more affluent backgrounds, and to ensure every young person participates in and benefits from a place in 16 to 19 education or training.

The Department for Education (DfE) established the 16-19 Bursary Fund in 2011. The aim of the Fund is to help 16 to 19 year olds continue in education, where they might struggle for financial reasons. It enables those students to access additional funds to support: learning; participation in activities to enrich their learning experience; and pursue applications to Higher Education. There are two types of 16-19 Bursaries:

- **Vulnerable Bursary** For young people in one of the defined vulnerable groups.
- **Discretionary Bursary** Awarded by the Trust to meet individual needs i.e. help with the cost of transport, meals, books and equipment.

2. Eligibility Criteria

For students to be eligible for the bursary fund, students must meet the age and residency criteria as listed below:

- Be aged over 16 and under 19 on 31st August 2023 or 19+ with an Education, Health and Care Plan (EHCP) or continuing on a course you started aged 16 to 18 (known as being a '19+ continuer')
 - Be enrolled on a full time course
 - Meet the ESFA's residency criteria as set out in the ESFA Funding Guidance
- ** Students aged 19 or over are not eligible for a Vulnerable Bursary.

3. Bursary Groups

This policy meets the requirements of the Education and Skills Funding Agency (ESFA)'s 16-19 Bursary Fund Guide 2023-24, providing pupils with the opportunity to benefit from the fund at different levels according to individual circumstances. There are two groups at whom the Trust Policy is directed:

➤ **Bursary Level 1 – Vulnerable Student Bursaries**

The Trust can approve up to £1,200 of bursary funding, depending on needs, to be awarded to students who are in one of the following 'vulnerable group' as defined by the EFSA:

- In Care or Care Leaver
- Receiving Income Support or Universal Credit in their own right
- Receiving Disability Living Allowance or Personal Independence Payment in their own right and Employment Support Allowance or Universal Credit in their own right

➤ **Bursary Level 2 – Discretionary Bursaries (household income below £30,000)**

This is based on the financial position of the student's family, and their needs to continue in education. To be eligible, the student's family household income must be **below £30,000** per annum, to include income from employment, pensions payments, jobseekers allowance, all tax credits including child tax credit and working tax credit but child benefit may be excluded.

In exceptional circumstances, on a case-by-case basis and at the discretion of the Headteacher, schools may provide one-off support in-kind or reimbursements to students who may not fall precisely within the two defined bursary groups.

4. How to Apply

Students are required to complete the online 16-19 Bursary Funding application form in the presence of their parent/guardian.

Details required:

- Student details
- For vulnerable bursary applications – confirmation of status and confirmation of income
- For discretionary bursary applications – confirmation of income
- Student Educational Needs
- Student bank details – in their own name
- Declarations

**** Students who are currently in Year 12 moving into Year 13 will not have to reapply and submit evidence. They will need to complete a disclaimer form signed by both student and parents to confirm that their circumstances have not changed, and they wish to continue to receive bursary support. If you are a Year 12 Student moving into Year 13 and have not been eligible previously if your circumstances have changed and you need support, please apply/reapply*

Important

- Students and their parent/guardian must take great care to ensure information provided to the Trust is true and complete. If information is found to be false or incomplete (i.e. undeclared income) we will request that the money awarded be repaid in full. Failure to repay the award may lead to police involvement / court action.
- The bank account details provided must be in the **student's own name**.

Following the completion of the bursary application, the relevant evidence must be uploaded with the application form in order for the application to be assessed and processed.

List of possible evidence:

- Letter from H M Revenue & Customs - Tax Credit Award for 2022/23 or 2023/24
- Current Benefit Letter from the Department for Work and Pensions (DWP)
- Proof of earnings from Employer - P60 for 2022/23

The link for application forms can be found on the school websites.

For students at Queen Mary's Grammar School who wish to apply and provide supporting evidence please [Click Here](#) . There is also information available on the Queen Mary's Grammar School Website.

Important

- Please ensure that you complete the correct form for your school and that you upload the correct evidence or your application may not be processed.
- All applications and evidence must be submitted by ***Friday 22nd September 2023**. Late applications will be considered, but payments will not be backdated and processing may take considerably longer than for on-time applications. Successful applicants will be contacted directly to discuss their award payments.

5. Assessment Procedure

The distribution of the Discretionary Bursary fund will be dependent on the number of eligible students and the Trust reserve the right to retain 20% of the 16-19 Bursary amount provided. This is to accommodate changes in circumstance and ensure that requests for funding from students following such changes can be accommodated. 5% may also be retained for administration of the fund.

The awards listed below are the maximum possible awards which can be made subject to the numbers of students who are accepted and **are not guaranteed**. They will be determined according to family income and costs expected by the student.

The amounts awarded to each student eligible for a level 2 bursary will also be determined by the total number of students who apply successfully before the deadline. The Bursary fund is a finite amount and, in cases where there are high numbers of eligible students, each student may receive less than the maximum. The Trust will seek to ensure total payments do not exceed funding provided by the ESFA.

Tier	Eligibility Criteria for Level 2 Bursaries	Maximum Bursary award for whole year
A	Students eligible for Free School Meals, with family income below £30,000	Up to £1000 for incurred costs
B	Students with family income below £30,000, not on Free School Meals	Up to £1000 for incurred costs plus allocation of Free School Meals

Important

- For all Tiers - evidence of household income for all parent(s) is required to support the application.
- If you are eligible for Free School Meals but your family income is above the threshold of £30,000 you will not be eligible for the bursary.
- You can find out if you are entitled to free school meals by visiting the Walsall Council website: https://go.walsall.gov.uk/free_school_meals.

Student Educational Needs

As part of the online bursary application, students are required to indicate how much they may need to spend on items to help them stay in education.

The list below is an example of the costs that students may receive bursary support for:

- Public transport to and from school – If a student indicates in their application form that they take public transport to school, some of their bursary will be allocated specifically to termly payments for travel costs as follows:
 - In the first term a one off payment of £100 will be provided to cover the cost of that terms pass retrospectively
 - Thereafter, bus passes will be purchased for these students by the school or alternatively, students may claim with supporting evidence of purchase
- School uniform / sports kit – all students will receive a one-off uniform allowance of £200 at the start of the year. This may be in the form of retail vouchers or bacs payment depending on the school uniform requirements and year group of the student. It will be possible to claim for additional uniform costs using a claim form on provision of evidence in terms 2 and 3.

- Any laptops required will be purchased directly by the Trust. No additional laptop claims will be accepted beyond this. We will only provide one laptop during the two-year 6th form duration.
- Sports uniform at Queen Mary's Grammar School will be classed as specialist sport equipment and will be reimbursed.
- Trips and UK education visits - we may fund up to **£100 for overseas trips**
- University visits / interviews
- Curriculum materials / equipment – books, revision guides, consumables, etc.
- Examination fees including re-sit if applicable
- Music tuition fees – for tuition organised by the school.
- School meals – All eligible bursary students will be awarded a Free School Meal daily.

Awards will be made based on the students financial needs as detailed in the application form.

6. Payments

Vulnerable Bursary Payments

In previous years vulnerable students received flat payments at regular intervals, this will no longer be the case.

The guidance encourages Schools to pay Bursaries in-kind rather than cash as far as possible. For example, by providing bus passes, vouchers, books and equipment and deducting the value from the total amount awarded to the student. Where necessary, payments can be made by BACs for specific items and receipts can be provided after the item has then been purchased.

Vulnerable and Discretionary Bursary Payments

Reimbursements: In cases where students prefer to pay up-front cost of items that they require, the School will reimburse them upon completion of a claim form and provision of receipts.

Support in-kind: In cases where students are unable to pay up-front costs of items, the school will order items on their behalf such items include but are not limited to laptops, books and printers.

Payments in advance: In cases where students are unable to pay up-front cost of items and support in kind is not feasible, the school can make a payment in advance to them by BACs. The payment in advance is only to be spent on that specific item and the student must provide the receipt after they have made the purchase. Students will be unable to make further claims until receipts for previous ones have been provided. *Please note that reimbursements and support in-kind are the best method of payment and payments in advance should only be made in exceptional circumstances.*

- a) Students are required to complete the online 16-19 Bursary Claim Form which can be found on the school website.
- b) For QMGS students all claims will be made via Applicaa
- c) Students will be guided on the form to state whether they are requesting support in kind, a payment in advance (receipts to be provided later) or a reimbursement (receipts to be provided immediately).

- d) For reimbursements, receipts must be uploaded on the claim form before the form is submitted.

chronic or ongoing illness or other special circumstances that the school has previously been made aware of.)

- Be punctual to all lessons.
- Demonstrate good behaviour.
- All work required by teaching staff will be submitted to the deadline set.

8. Complaints or Appeals

Any student or parent who is unhappy with the handling of application for bursary funding or wish to make an appeal should follow The Mercian Trust's complaints procedure. It is important to note that appeals for Levels 1 & 2 bursaries on the grounds of income levels alone are unlikely to result in a revised decision. Complaint forms are available from each school.

9. Confidentiality

The School will ensure that applications are handled confidentially. For audit purposes, however, computerised copies of all documentation for learner support will be kept for a period of six years and will be held securely and in compliance with the Data Protection Act. The information will be made available for audit purposes.

10. Equal Opportunities

No applicant will receive less favourable treatment on the grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation.

11. Review

This policy will be reviewed on an annual basis, taking into account the views of The Mercian Trust, young people and their parents and statutory guidance from the Department for Education (DfE) and the Education Funding Agency (ESFA).
